

Appraisal Process for Home Owners

Insurance company denies your claim

You have not been paid properly and all claim options have failed.

Hire a good appraiser

It is extremely important to hire someone with experience.

Send appraisal request form to insurer and appraiser

Insurance company has 20 days to respond with their appraiser's name.

Scheduled appraisal date

Your appraiser and the insurance appraiser will schedule a date.

Chose an umpire

The two appraisers have 15 days to pick an umpire

Note: two appraisers can't agree on umpire, a judge will decide on an umpire

Prepare a winning outcome with your contractor

Put together all the necessary information from your claim

Appraisal and deliberation is done

Appraisal is done on price and scope

Appraisal is awarded

Appraisals are won by justification and preparation

Insurance company payment

Payment made within 5 to 30 days.
